

**Beautification Board Yard of the Month  
February 2017**

Congratulations to the February Yard of the Month winners! Mike and Terri Arnold, of 515 Harwood Ave, purchased the home in 1995 and have been diligent with the upkeep of their landscape. The yard is loaded with native plants including mature palms, pines and an impressive oak tree. The scrub area provides cover for the beneficial snakes and the mulberry tree feeds the birds that frequent the property.
