

## PETITION FOR STREET LIGHT

We the undersigned residents, request the installation of a street light(s) at:

---

*Location(s)*

We understand that the street light will be located at the nearest location feasible to the requested location and by signing this petition, accept the fact that the street light might be located within the public right-of-way in front of my residence.

Resident Circulating Petition:

\_\_\_\_\_  
*Name*

\_\_\_\_\_  
*Address*

Petition Requirements:

1. At a minimum, the residents abutting the proposed street light location and the two residents on the other side of the street immediately across from the proposed location must sign the petition.
2. The police department will study the request upon receipt of a properly executed petition. If approved, FPL will be requested to install the street light.

Usually, at least **eight** weeks are required for FPL to install the street light.
