UTILITIES EXCAVATION PERMIT

Date: _____

This authorizes _____ to excavate in the city right-of-way / easement at _____ for the purpose of installing or making repairs to underground utilities.

Street blocked: _____ Water turned off: _____ Fire hydrant effected: _____
Electricity off: _____
Private property effected: _____

PERMIT: This permit, authorized by the City, must be approved by the Building Official prior to any excavation, construction or work of any type which disturbs private or public property or the established paving on public streets, sidewalks, driveways or rights-of-way within the City.

STREET CUTS: All street cuts and restoration must be done in accordance with the attached drawing. Public Works must be contacted at 777-2309 on the day of the cut. Test results must be submitted to Public Works prior to final cover.

EMERGENCY REPAIRS: The requirement for a permit is waived where emergency repairs are necessary outside normal work hours. In such case, NOTIFY the Police Department (773-4400) and the Fire Department (773-4405) before any work is done and obtain a permit from the Building Official the following workday.

In all cases, the utility must give 48 hours notice if the street is blocked, the water is turned off, a fire hydrant or private property is affected.

A FINAL INSPECTION MUST BE REQUESTED TO THE BUILDING & ZONING DEPT. UPON COMPLETION
